Terasaki Project References:
Working with BHP Billiton

BHP Billiton are a leading global resources company. Their purpose is to create long-term shareholder value through the discovery, acquisition, development and marketing of natural resources.

Terasaki has supplied circuit breakers for BHP Billiton mines over ten years and for various sites. We are proud to meet their high expectations and provide safety and protective products for their employees and equipment.

BHP Billiton are committed to the health and safety of their people, the environment and the communities in which they operate.
